## Proof of compliance with the REACH regulation

Dear Sir or Madam,

Thank you for your inquiry regarding compliance with Regulation (EC) No. 1907/2006 (REACH).

We are pleased to confirm that DURAVIT AG meets the requirements set by REACH.

With regard to Article 33 (2), we would like to inform you, that the majority of our products and packaging do not contain any substances from the current candidate list <https://echa.europa.eu/de/candidate-list-table>.

The affected products are listed in the appendix. Since the inclusion of metallic lead on the candidate list, some articles have been affected. Our brass components generally contain more than 0.1 percent by mass of metallic lead.

The information is printed for each article on the delivery note.

You can find further information on the Internet at [www.echa.europa.eu](http://www.echa.europa.eu).

Best regards

DURAVIT AKTIENGESELLSCHAFT
